

APPENDIX I

ATTORNEYS REPRESENTING TRADESWOMEN PLAINTIFFS IN GENDER DISCRIMINATION CASES

Copyright © 2005 Equal Rights Advocates, Inc.

This Appendix lists the lawyers and legal organizations that represented the plaintiffs in the 147 lawsuits filed by tradeswomen that are discussed in this manual. The information is current as of the time the particular case was filed. ERA does not guarantee that a particular lawyer is still practicing law or located with the same organization or in the same state, nor does ERA guarantee that a particular organization is still in existence.

This Appendix is most useful for advocates or attorneys who wish to contact an attorney who worked on a particular case for technical assistance. See “Tips for Tradeswomen,” in this manual for detailed suggestions on finding a lawyer to represent you.
